

Makanan sehat
tuh selalu ga enak
ya?

Udah makan sehat
tapi kok turun berat
badan nya cuma
sedikit?

Bosen makan sehat, kurang
rasa...
Yaudahlah makan apa aja
deh yg penting happy

The image is a collage of various Indonesian dishes. At the top left, there's a pile of golden-brown fried snacks (likely tempeh or tahu). Next to it is a black bowl of red chili sauce with green leaves. In the center top is a bowl of yellow curry with green leaves. To its right is a bowl of orange-red curry with green leaves. On the far right is a plate of green vegetables. In the bottom left, there's a bowl of red chili sauce. Next to it is a bowl of red chili sauce with a mortar and pestle. In the bottom center is a plate of fried chicken with red chili sauce. To its right is a bowl of red chili sauce. The background is a green banana leaf. The text "Jadi, makanan apa yang paling bagus?" is overlaid in the center in a white font.

Diet doesn't mean
you eat less, but
you eat better
